OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 11131-2

Bangalore 21st June 1911

From

J WEIR Esq MA,

Inspector General of Education in Mysore

To

C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to the Government of H I the Maharaja

of Mysore, General and Revenue Departments, Bangalore

SIR,

With reference to Government Order No 6026-38/Edn 201-10-2 dated 18th January 1911 directing that the amount set apart for scholarships in the Maharani's College should be reduced by Rs 60/- in order to provide funds for a grant in aid of the Mysore Widows' Home, I have the honour to forward herewith a copy of the Proceedings of the Board of Visitors held on Saturday 15th April. From this it will be seen that the members of the Board of Visitors strongly deprecate any reduction in the amount granted for scholarships to the Maharani's College.

2 Before the year 1903-4 the amount sanctioned for scholarships was not shown separately in the Budget but was included in the total amount provided for the school. The actual amount spent on scholarships was as follows --

Year	1899-1900	Rs 667 0 0
"	1900-01	Rs 829 8 0
"	1901-02	Rs 729 8 0
"	1902-03	Rs 729 8 0
"	1903-04	Rs 642 0 0

Since 1903-04 the amount has remained fixed at Rs 642-0-0

3 I have the honour to request that Government will be pleased to reconsider their decision with reference to the representation of the Board of Visitors and pass final orders as soon as possible

I have the honour to be,

Sir,

Your most obedient servant,

Jwen

To consider how it would affect the institution to
reduce the existing amount of scholarship money from July next
The letter from the Inspector General of Education on the
subject to the Lady Superintendent to save Rs 60/- from July
next from the scholarship money was considered

Views of the Board were expressed as follows --

The Board of Visitors to the Maharani's Girls' College
beg leave to represent that they have learnt with concern that
the scholarship money of that College has been directed to be
reduced to make up for the grant sanctioned by Government to
the Widows' Home, Mysore

The College, especially the High School classes, are
now developing promisingly, as the result of the liberal en-
couragement given by scholarships to the pupils, as well as of
the labours of years past on the part of the teaching staff
and the several branches of the College are now advancing in
numbers and in progress

It is true that a large expenditure is incurred by
Government for the Maharani's College, but it is well worth

all that expenditure and even more, considering that this institution for female education is solving the problem in every possible way, and further brings great credit to the State

From the first the successive Lady Superintendents started with a prejudice against the liberal scholarships of the College, but as they saw more and more of the circumstances under which female education had to labour, came to the conclusion that these scholarships had been arranged with full consideration of their need to encourage female education and it was found necessary sometime back even to apply for an increase of Rs 150/- a month to the existing provision. The late Mr Chentsal Rao, as President of this College Committee regulated these scholarships and the amount of individual scholarships in the different forms of the High School and College classes, fixed then, has undergone reductions, step by step on two occasions, and the number of recipients has of late increased largely. And we beg to urge that taking away of any portion of the amount allotted for scholarships would tend to discourage and retard progress.

Time may come and will come when there will be no need for giving scholarships, and not only that but fees may be levied, which the female students would, cheerfully pay. But just yet the wise arrangements for the existing scholarships, ought not to be disturbed.

The Lady Superintendent was requested to furnish a statement showing how the scholarship money was being distributed and the same is herein enclosed.

From this statement we find that the allotment for scholarships has been reduced from Rs 829-8-0 to Rs 642-0-0

and

and that the rates of scholarships by about fifty per cent
Any further reduction in the total amount or the rates of
scholarships will, in our opinion seriously affect the inte-
rests of the College by way of reducing the attendance
